

Revive Collection Warranty

Products & Coverage

Palmetto Road warrants that its Revive SPC - Palmetto Road (“Revive SPC”) flooring will be free from manufacturing defects and, under normal use and maintenance, will not Wear, Fade or Stain resulting in loss of original pattern and color, and the structural integrity of the flooring itself will not be materially impaired by Water Damage as hereafter defined, for the following period of time from the date of purchase: 6-Year Commercial / 15 Year-Residential. This Limited Warranty only applies provided the flooring covered by this warranty is installed and maintained according to the Revive Collection Installation Guide.

Pet Proof

Palmetto Road warrants that Revive SPC flooring will resist staining caused by domestic pets (cats or dogs). Stain resistance means the ability of Revive SPC to resist (minimize or withstand) permanent stains for the duration of the residential warranty period, so long as the original, resident homeowner maintains ownership of the flooring during that period (i.e. coverage is non-transferable). Cleaning of the affected area should begin immediately upon discovery, as any stain becomes more difficult to remove the longer it remains on Revive SPC flooring. Pet Proof coverage excludes scratches, scuffs, or similar damage caused by pets.

Pre-Installation

Palmetto Road warrants that its flooring is free of visual defects. You and/or your installer should carefully inspect each piece before installation. Any pieces that appear to have defects should not be installed. Palmetto Road will not be responsible for any claim for flooring installed with visual defects.

Installation

This Limited Warranty covers materials and fair market-value labor if professional installation was paid for when the flooring was originally installed, provided that such flooring is installed according to the Revive Collection Installation Guide. This manual is revised periodically, and floors must be installed according to the current manual at the time of installation. Please contact Palmetto Road for the current manual.

Replacement/Repairs

Palmetto Road reserves the right to repair any flooring and/or to use its own source to obtain an installer for replacement flooring. If Palmetto Road repairs or replaces any flooring as a result of a warranty claim, you will be required to clear, at your own expense, any items placed over the affected areas subsequent to the original installation. In the event that Palmetto Road repairs or replaces any flooring covered under this Limited Warranty, this Limited Warranty shall remain in effect with respect to such flooring for a period limited to the remaining eligible duration of the original Limited Warranty.

Terms for Warranty

If a defect covered by this Limited Warranty is found within the warranty period and reported in writing to the merchant from which the flooring was purchased, Palmetto Road will supply new flooring material of similar color, pattern, and quality to replace the defective area. Palmetto Road will also pay fair market-value labor if professional installation was paid for when the flooring was originally installed. Labor costs will not be covered if professional installation was not paid for when the flooring was originally installed.

In case of questions regarding the terms of this Limited Warranty, contact Palmetto Road at 1-855-212-9888 or info@palmettoroadflooring.com . Palmetto Road reserves the right to inspect any flooring, request samples,

secure photographs or any other information as may be required to ascertain the nature of any claim under this Limited Warranty.
